

Dear Sir or Madam,

It is my pleasure to recommend David Moritz for your employment opportunity. David and I worked together for the past 1.5 years at Subsplash where I was the Scrum Master for his team.

Throughout David's time at Subsplash he has been a core contributor to the front-end development team. David brings a unique blend of talent, confidence, and humility that makes him a great addition to any team. Our team has consistently been one of the highest-performing teams in the organization, exceeding delivery expectations while maintaining a high-quality codebase. That would not have been possible without David's contributions.

David is more just a talented developer. He is a true team player whose positive attitude is truly contagious. This attitude is contagious both within his team and across the organization, even in 100% remote work environment. In meetings or demos with the greater organization, David has a knack for communicating information in a way that is clear, engaging, and entertaining.

I have no doubt that David will continue to be a positive force when joining your organization, just I know he will be greatly missed at Subsplash. If you have any questions, please do not hesitate to contact me at (614) 314-8558.

Sincerely,
Mike Evans
